### **About Faber Halbertsma Groep**

Faber Halbertsma Groep approaches its markets under the name Pooling Partners. With a history dating back to 1891, the Dutch family business provides full service pooling and production of wooden pallets and boxes and is a market leader in Europe. The service comprises the IPP Logipal pool, the European PAKi Logistics network, and PRS Return Systems.

Pooling Partners is an exponent of the circular economy, promoting recovery and continual re-use of durable standard pallets and boxes in efficient and sustainable pooling systems. Pooling Partners facilitates sustainably managed forests and produces and repairs over 20 million pallets per annum from wood that is PEFC™ or FSC® certified. The company has an annual turnover of over € 300 million and employs around 800 staff. The principal office is in Eck en Wiel (de Betuwe).
